

Gordon C

Italian design with highest quality

COMMERCIAL USE
Certified in accordance with Machinery Directive 2006/42/EC, part 1 for commercial use.

Gordon C 40 SW #60621

Pedestal fan, black colour

- Housing and grille made of shock-proof thermoplastic resin, colour black or light grey.
- 3 speed settings can be adjusted on the unit.
- Mechanical 90° oscillation, oscillation, can be turned off.
- 3-blade blade, optimized for best air delivery with lowest noise.
- Fan head tilt can be adjusted vertically.
- Heavy, stable base, tilt-free base with flat, round shape is not a tripping hazard.
- Height adjustable from between 1,480 and 1,893 mm.
- 1.5 m cable length with a Euro flat plug.
- Insulation class II, protection rating IP20.
- Protective grille can be opened for easy cleaning of the grille and the blade.

actual italian design, selected for ADI DESIGN INDEX 2004

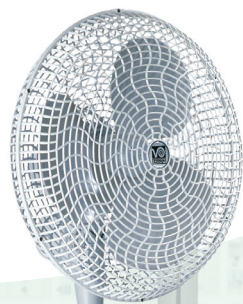

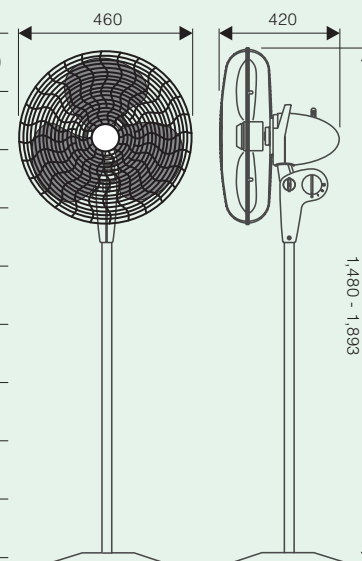

Design: F. Trabucco and M. Vecchi.

Product	Code No.	Colour	Grille Ø (mm)
Gordon C 40 LG	60620	Light grey	460
Gordon C 40 SW	60621	Black	460

Technical details Dimensions (mm)

Power motor (W)	40
Voltage (V/Hz)	220-240/~50
No. of speeds	3
Rpm min ⁻¹	1,145 max.
Oscillation (°)	90
Weight (kg)	5.4
Blade Ø	400
Sound pressure (L _p -3m) dB(A)	40.1
Sound power (L _w) dB(A)	57.2
Airflow max. (m ³ /h)*	4,000
Service value (m ³ /min/W)	1.667

Gordon C 40 LG #60620
